GET HEAVY-DUTY TRAINING TO PREPARE FOR A CAREER

WE'RE THE MANUFACTURER'S CHOICE

UTI's DTNA Finish First program puts you in the driver's seat to get ready for a career as a Daimler Trucks service technician. With most of the training hands-on, the Finish First program offers comprehensive instruction from DTNA factory-trained instructors.

DTNA is the leading heavy-duty truck manufacturer in North America and a leading producer of medium-duty trucks and specialized commercial vehicles. Finish First students train on DTNA brands that include three of the most respected names in the trucking industry:

- Detroit Diesel
- Freightliner Trucks
- Western Star Trucks

PROGRAM PREREQUISITES

To qualify for the DTNA Finish First program, you must:

- Be an active UTI student
- Meet all admission requirements for this program

IT'S TIME TO FINISH FIRST

The DTNA Finish First program provides you with a unique opportunity to prepare for a career within the DTNA service network.¹ Upon successful completion of the program, you'll get the chance to earn Professional Level certification in DTNA curriculum, giving you a competitive advantage over other entry-level technicians.

"Daimler Trucks North America service provider locations are all in need of technicians."
